A LETTER TO NEW AND RETURNING CAMPERS AND FAMILIES

Dear Camper and Family,

We are so excited that you will be joining us at Camp Kakhamela this summer. It is hosted at the beautiful YMCA Camp Elphinstone on the Sunshine Coast.

We have an awesome program planned this summer and we can't wait to share it with you. You'll get to try some amazing activities, meet new friends, and learn more about type 1 diabetes. We hope that by the end of your time at camp, you will have gained confidence, new skills, have a greater appreciation for the outdoors, and have a better understanding of how to manage your own type 1 diabetes.

Before you start packing your suitcase, please read our D-Camps Guide and this Information Package. It is full of information that will prepare you to have the best camp experience possible. Some of the important information included in this package is:

- Directions, Transportation and Dates
- Packing List
- Camp Activities
- Serving Diverse Campers
- Mail and Care Packages
- Continuous Glucose Monitors
- Cancellation and Refund Policy
- Contact Information

From all of us at Diabetes Canada and Camp Kakhamela, we are very excited that you are joining the Camp Kakhamela family!

Sincerely,

Cale Allen

Camp Director, Western

DIRECTIONS, TRANSPORTATION, AND DATES

Option A: Horseshoe Bay Ferry Terminal

Most of our campers are dropped off and signed into camp at Horseshoe Bay Ferry Terminal. A representative from Camp Kakhamela will be signing in campers and introducing them to their counsellors. This will be happening outside at the passenger pick up/drop off area near the ticket booths. If you depart from Nanaimo (Departure Bay) on the earliest ferry, you will make it in time for signing-in. Directions to the Ferry Terminal can be found [HERE](#).

Session	Sign-in: Opening Day	Sign-out: Closing Day

Option B: Parent/Guardian drop-off and pick-up

For parents who wish to take their children directly to YMCA Elphinstone, please note the following:

- Drop off: Plan to arrive no earlier than 10:00 AM on opening day. Please park in the first parking lot on the right (Upper Lot).
- Pick up: Your camper will be ready to leave on closing day at 1:00 pm and must be met and signed out no later than 1:30PM. You are welcome to pick up your camper on the last day, tour the camp and enjoy the Sunshine Coast.
- Directions to YMCA Camp Elphinstone can be found [here](#).

Suggested Packing List

Please label everything your camper brings to camp. Lost items that are labeled can easily be returned if they are found. Please include a packing list with the corresponding quantities if you would like your camper to use when packing at the end of camp. Please note this list is simply a guideline or suggestion. Please pack clothing and items that make sense for your camper's time at camp. Additionally, this list is recommended for a 1 week stay at camp.

We recommend packing belongings in suitcases/luggage or storage containers that can be identified by your camper. We suggest avoiding large garbage bags as they can rip or easily be mixed up during transport!

Luggage Protocol:

PLEASE NOTE: it is essential that you have complied with the YMCA's bed bug protocol. All items which cannot be heated must be packed separately in clear plastic bags. Once luggage is handed to staff at check in, campers will not have access to it until after it has gone through the bed bug heating process.

YMCA Camp Elphinstone has implemented a procedure for camper and staff luggage. With the widespread issue of bed bugs in the lower mainland, Camp Elphinstone has built a heat treatment room to ensure prevention of bed bugs. All bags will pass through this space before campers move into their cabins. This heat treatment, similar to a sauna, will heat camper luggage to ensure that any bedbugs and eggs will be killed prior to moving into cabins. This will eliminate any concerns of bed bugs spreading to camp cabins, or back to your home.

To allow bags to be heated, we will need you to ensure that all items that should not be heated are separated from the rest of your child's luggage. This is essential for the efficiency of the drop off procedure. We ask that you separate these items into three clear plastic bags, labeled with your child's name:

1. One bag for insulin and diabetes supplies. This includes insulin, pump supplies (reservoirs, infusion sets, inserters, batteries, skin preps/removers, and coverings), pens, meters, strips.
2. One bag for other medications (if necessary). This includes prescription medications other than those which are diabetes related, as well as over the counter medications such as ibuprofen and acetaminophen.
3. One bag for toiletries and other sensitive personal items. This includes photographs, cosmetics, shampoos/soaps, toothpaste, cameras, and aerosols.

Camp activities

Campers will be exposed to a wide variety of activities and experiences. They will receive individual instruction to develop new skills, take part in cabin group activities, and participate in games and theme events involving the entire camp. In everything we do at Camp Kakhamela, we emphasize creativity, imagination, and adventure, in a safe, fun-filled atmosphere designed to encourage growth and the development of self-confidence. Your camper will be able to participate in the following:

Land based challenges

There is always something happening on land! At any time, you might find campers enjoying the high ropes course, climbing wall, various sports, archery and the legendary Ga-Ga Ball (make sure to ask your camper about it when they get home!)

Swimming and waterfront

Campers will have the opportunity to try many waterfront activities at camp. Activities include canoeing, swimming, stand-up paddle boarding, fishing and beach exploring. All activities that take place in the water are led by trained staff and supervised by lifeguards.

Creative arts

Campers can spend time focusing on arts-based programs like drama games, arts and crafts, and talent shows.

Outdoor living skills

While at camp, your camper will have the opportunity to immerse themselves in nature through hiking, fire building, shelter building, orienteering and taking part in campfires.

Evening programs

Each night, the whole camp community comes together to take part in activities such as capture the flag. Twice a week everyone at camp comes to campfire where we sing songs, see skits and reflect on our time at camp. These campfires are a highlight of camp. Make sure to ask your camper about their favourite song. You might even get to hear it on the trip home!

Serving Diverse Campers

At Diabetes Canada and D-Camps we believe that our camp and youth programs are for all children and youth living with type 1 diabetes regardless of ancestry, colour, race, ethnicity, religion, creed, sex/gender, sexual orientation, gender identity or expression, ability or exceptionality.

To ensure that we can provide the best experience for all of our participants we ask that families complete all registration forms as fully and truthfully as possible. The more we know about our participants the better we can support their needs.

At D-Camps, we strive to create equal opportunities for individuals that may identify or be affiliated with any number of biological, social, and cultural categories. Additionally, D-Camps aims to be open and accessible to all participants, ensuring that identification and/or affiliation with the above categories does not act as a barrier, obstacle, or deterrent that presents a child from experiencing a traditional overnight summer camp experience. D-Camps follows Pride Camping Association's best practices that are directed toward any LGBTQ+-identified youth and those from LGBTQ+ families and aim to create and foster a more comfortable and fun environment, free of harassment, discrimination, hostility, isolation, and any other afflictions of systematic oppression. LGBTQ+ participants and families are welcome to speak to the Camp Director if any accommodations are needed, which will remain confidential. In addition to this, many general inclusive policies are in place to ensure the camp environment and culture is inclusive and supportive for any participants, staff, and volunteers, who have not readily indicated any specific identity or affiliation prior to the start of their involvement in our programs.

If you have any questions about the fit of your child at our programs, please contact our Camp Manager or Camp Director to discuss the support we can provide.

Mailing and care packages

Everyone enjoys receiving mail, so please write! Mail will be picked up a few times a week and delivered to your camper. Send letters prior to or during the first few days of camp to ensure delivery. Letters that do not arrive until after the session has ended will be returned to sender. Any food, beverage, electronic devices, etc. received in care packages will be confiscated for the duration of camp. You may also drop off pre-written letters with our staff at check-in to make sure it gets given out right away!

CONTINUOUS GLUCOSE MONITORS

With the progression of diabetes treatment tools and technology, we welcome continuous glucose monitoring (CGM) devices and technologies which are approved by Health Canada at D-Camps. ***Devices and systems that are yet to be approved by Health Canada cannot be used at D-Camps.*** We recognize that some of our participants are use to using CGM technology in their diabetes management and that this provides them with comfort and routine.

Transmitting functions will be turned off while at camp, and if a cellular device is used as a transponder, the SIM card will be removed for the duration of camp and kept in a secure location that will be returned come the end of the camp session.

Medical use for monitoring and treatment of CGMs is up to the discretion of the camps medical team, and we will provide you with an update of what this will look like closer to the camp season!

Cancellation/Refund Policy

BEFORE FEBRUARY 29, 2024 – Full refund of all fees less a **\$25 cancellation fee** (per program).

MARCH 1 - MAY 31, 2024 -Full refund of all fees less a **\$100 cancellation fee** (per camper).
