A LETTER TO CAMPERS & FAMILIES

Dear families,

Congratulations! You are about to embark on an amazing adventure at our Camp Angus Family Camp! We are very excited that you will be joining us for our 9th consecutive year of Family Camp in Atlantic Canada. This package has been designed to help you become more familiar with our program and allow you to prepare for your camp experience. Please take a few minutes to review the information contained.

Diabetes Canada has operated Family Camp in the Maritimes now for 8 years. Camp Angus Family Camp is proud to offer family camp at two locations, we are located at Camp Brigadoon, Aylesford Lake in the beautiful Annapolis Valley of Nova Scotia and Camp Shiktehawk in Carlow New Brunswick.

We hope you will leave Family Camp with new skills, new experiences, new friends, and new confidence in the care and management of your diabetes. We guarantee you and your family will leave with a wealth of wonderful camp memories that are sure to last a lifetime.

Before you start packing your suitcase, please read this guide! It is full of information that will prepare you to have the best camp experience possible. Some of the important information included in this package is:

- Packing Lists
- Directions to Family Camp
- Activities at Family Camp

From all of us at Diabetes Canada and Angus Family Camp, we are excited that you are joining the D-Camps family. If you have any questions or concerns, please contact Morgan at morgan.tobin@diabetes.ca

Sincerely,

Morgan Tobin

Camp Director, Atlantic D-Camps
Morgan.Tobin@diabetes.ca

Lauren Linklater

Senior Manager, National D-Camps

ABOUT FAMILY CAMP

Camp Angus Family Camp focuses on providing connection, support and community to families living with type 1 diabetes. At Family Camp we provide these opportunities for anyone in your child's care-giving community. That could be grand-parents, extended family or close friends. If there are people involved in the care of your child with type 1 diabetes they are welcome to attend.

Family Camp brings people together in a way that just doesn't happen in any other setting. Family Camp is a fantastic introduction or connection to the D-Camps experience. You and your family will get the opportunity to take part in camp programming within a community. Family Camp is a Great Fit for You If:

- ✓ You have a recently diagnosed child and are looking to connect with people who understand.
- ✓ You have years of experience and could be a valuable support to others.
- ✓ Someone in family lives with type 1 diabetes and you want to have a fun D-Camp experience!

HEALTH CARE AT CAMP

Your family's continuing good health is important to us. Our Healthcare Team made up of Nurses and Dietitians will be available throughout Family Camp for consultation; however, parents are responsible for the diabetes management of their family throughout the camp. For most children, camp provides much more physical activity than usual and therefore changes in blood glucose levels should be expected. In case of emergencies, D-Camps staff are certified in Standard First Aid and CPR. Please ensure that you have also packed adequate supplies of any other non-diabetes medications with you for your Family Camp session.

WHAT TO EXPECT AT FAMILY CAMP

Over the course of your Family Camp experience, adults and children will have the opportunity to participate in a wide variety of activities and experiences. In everything we do at Camp Angus Family Camp, we emphasize creativity, imagination, and relationship development in a safe, fun-filled atmosphere designed to encourage growth, learning, and the development of self-confidence. Throughout the weekend, much of the camp program will be divided into three streams. One stream will be for children and youth. The second stream will be for adults, parents, and caregivers and the last stream is for families as a whole!

CHILDREN'S ACTIVITIES

Program staff will plan and facilitate age-appropriate games and activities for the children at camp. Some of these activities include arts and crafts, sports and games, archery and many more creative camp programs. These program staff will be made up of amazing D-Camps staff some of whom also live with type 1 diabetes. Family Camp creates endless opportunities for your child to learn and relate to a young adult role-model living with the illness. These staff will also be available to assist campers with testing and treating lows. For our little ones we offer a very popular "craft table" as well as a designated teen space and program for older attendees.

ADULT ACTIVITIES

Adults, parents and caregivers will have the opportunity meet and connect with each other in various sessions throughout the weekend. These sessions are often led by adults living with type 1 diabetes, the medical team and leaders from the type 1 community. They include discussion groups, sharing experiences and team building activities. Often these sessions are seen as the highlight of the weekend. It is an opportunity to discuss life with type 1 in a caring, supportive and understanding group of peers.

FAMILY ACTIVITIES

There will be a number of all- camp programs planned throughout the weekend that the whole family is able to participate in together. As a family, you will be able to participate in a wide variety of camp activities. These fun events are a great opportunity for the whole family to spend time together and feel like they are on a holiday. It might be the whole family taking part in Capture the Flag, a photo scavenger hunt or canoeing but no matter what it will be a great time!

CABINS

NOVA SCOTIA

Families will sleep in their own private 6-bed room within Brigadoon's lodge-style cabins. The cabins each hold 5 such rooms with access to shared washroom facilities and a large common area. The cabins will provide a true camp experience. *Be Sure To Bring Bedding!*

NEW BRUNSWICK

Families will sleep in their own private cabin. There are shared bathroom facilities at the camp. Cabins will provide a true camp experience. *Be Sure To Bring Bedding!*

Typical Meals

Each family camp provides three nutritious meals, as well as a number of snacks each day. All meals are served cafeteria style, and snacks will be laid out buffet -style. There is always food available if needed. Breakfast – Cereal, toast, eggs, pancakes, fresh fruit, etc.

Lunch – Wraps, pizza, salad, vegetables, etc.

Dinner – Lasagna, salad, etc.

Please note that low supplies and snacks are available at all times at Camp Angus Family Camp.

Please contact the Camp Director if you have any questions

More on Food

A menu is prepared by our registered dietitian and the camp chef to reflect the planned activities and the younger palate. Food at camp is specially prepared with nutrition and diabetes care in mind. We are sensitive to the allergies of our families and are always ready to make food substitutions should the need arise. Some of our participants have special needs regarding other medical conditions and we pay close attention, making sure any specialties in their meals are available and prepared as required. Please feel free to consult nutrition staff on the day of your arrival with any issues related to meals. In respect to our facility, families shouldn't bring food from home to camp (in case of severe allergies.) Please don't hesitate to contact us at any point in time if you have any question regarding food or dietary concerns.

SUPERVISION

Parents are responsible for the supervision of their children while at Camp. However, supervision will be provided during scheduled program activities. Parents are also responsible for their children's medical and dietary care, including their child's diabetes management, the dispensing of medication(s) and monitoring of personal supplies. Healthcare staff/personnel are on site to facilitate programming and to act as source of support for any consultation.

CANCELLATION POLICY

BEFORE/ON FEBRUARY 28, 2026 – Full refund of all fees less a **\$25 cancellation fee** (per program)

Following March 1 until 5 weeks prior to the start of program: Full refund of all fees less a **\$100 cancellation fee** (per household).

AFTER 5 weeks prior to the start of program – All fees are non-refundable.

Notification of cancellation is required in writing or via email and must be received by the Camp Administrative Coordinator.

There will be no refund made for any participant leaving D-Camps during any program/session, including for reasons of homesickness. In the case of illness or injury incurred at Camp, a prorated refund will be reviewed and applied by the camp's team. There will be no refund or reduction of fees for campers arriving late or leaving early.

Diabetes Canada, D-Camps reserves the right to collect any outstanding household balances and/or cancellation fees by processing the credit card on file. If at any time you would like to check your household balance, you may do so by logging into your CampBrain Registration [HERE](#). Additionally, you can contact our Camps Administrative Coordinator at 647-800-9837.

If you decide to cancel your camp registration or have questions about registering, please contact us at camps@diabetes.ca

CONTACT INFORMATION

If you have questions about the Camp Angus program or will be arriving late to Camp, please contact Morgan Tobin, Camp Director, at Morgan.Tobin@diabetes.ca

Administrative Coordinator can be reached at camps@diabetes.ca to support with any questions related to registration, financial assistance or changes to completed forms.

Any other questions can be directed to our Information and Support Team at 1-800-226-8464 or info@diabetes.ca

Land Acknowledgement

We recognize that our work takes place on traditional Indigenous territories across Canada. We also wish to acknowledge that Camp Angus, hosted in Nova Scotia and New Brunswick, is located on the traditional Indigenous territory of the Mi'kmaq. Today, Atlantic Canada is still home to many Indigenous people, and we are grateful to have the opportunity to meet and work on this territory. We wish to express gratitude for the resources on this land we are using, and honour all the First Nation, Métis, and Inuit people who have been living on the land since time immemorial.

Diabetes Canada knows that land acknowledgement is only a first step in the essential act of reconciliation and relationship building with Indigenous peoples.

CELL PHONE POLICY

Participants are welcome to bring electronic devices to Family Camp. We do ask that if you choose to use your cell phone, please step away from the group so as not to disturb the other participants. As well, there are many apps, websites and programs that participants can use to help manage their diabetes, and we encourage participants to share their favourite apps with others.

We cannot guarantee that there will be cell service on-site, nor can we guarantee that each family cabin will have access to a charging plug (although there will be plugs available in the main buildings).

We expect that all participants will use electronics responsibly, behave in a way that is respectful to others, and ask other's permission before sharing any information, photos or videos online.
