# A LETTER TO NEW AND RETURNING CAMPERS AND FAMILIES

**Dear Camper and Family,**

We are so excited that you will be joining us at Camp Briardale this summer. Camp Briardale is proud to be hosted by BB Camp on a private island on the beautiful Lake of the Woods, Ontario, just outside of Kenora.

We have an awesome program planned this summer and we can't wait to share it with you. You'll get to try some amazing activities, meet new friends, and learn more about type 1 diabetes. We hope that by the end of your time at camp, you will have gained confidence, new skills, have a greater appreciation for the outdoors, and have a better understanding of how to manage your own type 1 diabetes.

Before you start packing your suitcase, please read our D-Camps Guide and this Information Package. It is full of information that will prepare you to have the best camp experience possible. Some of the important information included in this package is:

- Directions, Transportation and Dates
- Packing List
- Camp Activities
- Serving Diverse Campers
- Mail and Care Packages
- Continuous Glucose Monitors
- Cancellation and Refund Policy
- Contact Information

From all of us at Diabetes Canada and Camp Briardale, we are very excited that you are joining the Camp Briardale family!

Sincerely,

**Cale Allen**

Camp Director, West D-Camps  
Cale.Allen@diabetes.ca

**Lauren Linklater**

Senior Manager, National D-Camps  
Lauren.Linklater@diabetes.ca

## DIRECTIONS, TRANSPORTATION, AND DATES

Camp Briardale offers two-way bus transportation from the [Access Centre location in Winnipeg, Manitoba](#), to camp. On opening day, families will have to bring a nut-free lunch, with the carbs counted, for their campers to eat on the bus. For directions, please click the link above to a Google Map of the address. The Access Centre is located at 48 Holland Road, West St. Paul.

Families will have the opportunity to meet with the medical and program staff to discuss their camper's week during this time. Campers have been assigned an exact check-in time below. Please give yourself enough time to arrive. On the last day of camp, our estimated arrival time will vary depending on the bus your child is traveling on. Please check the times below to avoid confusion.

If you live in North-Western Ontario and plan to drop your camper off in Kenora, please be ready at the Kenora Town Dock at 12:30 pm on Opening Day ([located beside the Shoppers Drug Mart on Main Street](#)). Please make sure that your camper has already had lunch by the time you arrive. If you plan to pick your camper up in Kenora on the last day of camp, please be at the Kenora Town Dock no later than 11:30 am.

Please indicate your preference on the transportation from in the registration package. Changes may be made up to two weeks prior to the start of camp. Campers travel as cabin groups by boat to camp. With this, we will provide more specific sign-in times for campers closer to the start of camp based on transportation scheduling and cabin group assignments.

| Access Centre: 48 Holland Rd, West St. Paul | Sign-in: Opening Day, Monday August 24, 2026 | Sign-out: Closing Day Saturday August 29, 2026 |
|---------------------------------------------|----------------------------------------------|------------------------------------------------|
| Campers Ages 7-11                           | 9:30am                                       | 2:00pm                                         |
| Campers Ages 12-15                          | 10:15am                                      | 2:45pm                                         |

## SUGGESTED PACKING LIST

Please label everything your camper brings to camp. Lost items that are labeled can easily be returned if they are found. Please include a packing list with the corresponding quantities if you would like your camper to use when packing at the end of camp. Please note this list is simply a guideline or suggestion.

Please pack clothing and items that make sense for your camper's time at camp. Additionally, this list is recommended for a 1 week stay at camp. We recommend packing belongings in suitcases, luggage or storage containers that are labelled and can be identified by your camper. Please **do not** use garbage bags as they can rip or easily be mixed up during transport!

| MEDICAL                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                   |

| <p>You know your camper best. Please pack enough medical/diabetes management supplies for the duration of the session. Camp Briardale will supply syringes, pen needle tips, lancets, blood glucose meters, testing strips, and ketone testing supplies. Please remember to pack supplies for traveling to and from camp. Camp Briardale will also supply emergency medical supplies, like glucagon.</p> |                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                   |

**Diabetes Canada is not responsible for lost or stolen items.**

## LOST AND FOUND

It is easy to forget or misplace things at camp. To help navigate this, we have a designated lost and found area that will be populated with any found items. Campers are encouraged to check the lost and found regularly, however families are encouraged to check this area during pick-up as well. To be proactive, we suggest that families consider labelling all of their camper's items ahead of their session. Should a labelled item be left at camp, we will do our best to send it back to the person it belongs to!

## CAMP ACTIVITIES

Campers will be exposed to a wide variety of activities and experiences. They will receive individual instruction to develop new skills, take part in cabin group activities, and participate in games and theme events involving the entire camp. In everything we do at Camp Briardale, we emphasize creativity, imagination, and adventure, in a safe, fun-filled atmosphere designed to encourage growth and the development of self-confidence.

Your camper will be able to participate in the following:

### Land Based Challenges

There is always something happening on land at Camp Briardale! At any time, you might find campers enjoying the initiatives course, climbing wall, various sports, archery, and state of the art high ropes course.

### Swimming and Waterfront

Campers will have the opportunity to experience many activities on the stunning lake at Camp Briardale. Activities include canoeing, kayaking, swimming, water trampoline, Stand Up Paddle boarding and the infamous polar bear swim. All activities that take place in the water are led by trained staff and supervised by lifeguards.

### Creative Arts

Campers can spend time focusing on arts-based programs like drama games, arts and crafts, and talent shows.

### Evening Programs

Each night, the whole camp community comes together to take part in activities such as capture the flag. Twice a week everyone at camp comes to campfire where we sing songs, see skits and reflect on our time at camp. These campfires are a highlight of camp. Make sure to ask your camper about their favourite song. You might even get to hear it on the trip home!

## TYPICAL DAY SCHEDULE

|          |                          |         |                           |
|----------|--------------------------|---------|---------------------------|
| 7:15 AM  | Polar Bear Swim          | 3:45 PM | Free Swim                 |

## SERVING DIVERSE CAMPERS

At Diabetes Canada and D-Camps we believe that our camp and youth programs are for all children and youth living with type 1 diabetes regardless of ancestry, colour, race, ethnicity, religion, creed, sex/gender, sexual orientation, gender identity or expression, ability or exceptionality.

To ensure that we can provide the best experience for all of our participants we ask that families complete all registration forms as fully and truthfully as possible. The more we know about our participants the better we can support their needs.

At D-Camps, we strive to create equal opportunities for individuals that may identify or be affiliated with any number of biological, social, and cultural categories. Additionally, D-Camps aims to be open and accessible to all participants, ensuring that identification and/or affiliation with the above categories does not act as a barrier, obstacle, or deterrent that presents a child from experiencing a traditional overnight summer camp experience. D-Camps follows Pride Camping Association's best practices that are directed toward any LGBTQ+-identified youth and those from LGBTQ+ families and aim to create and foster a more comfortable and fun environment, free of harassment, discrimination, hostility, isolation, and any other afflictions of systematic oppression. LGBTQ+ participants and families are welcome to speak to the Camp Director if any accommodations are needed, which will remain confidential. In addition to this, many general inclusive policies are in place to ensure the camp environment and culture is inclusive and supportive for any participants, staff, and volunteers, who have not readily indicated any specific identity or affiliation prior to the start of their involvement in our programs.

If you have any questions about the fit of your child at our programs, please contact our Camp Manager or Camp Director to discuss the support we can provide.

## MAILING AND CARE PACKAGES

Please drop off all mail or care packages at drop-off during the sign-in process so that the counsellors can ensure that the mail is delivered directly in a timely manner for your camper. Given we use a host site, this will avoid mailing delays and packages getting lost or misplaced. Any food, beverages, electronic devices, etc. received in care packages will be confiscated for the duration of camp and returned for pick up.

## CONTINUOUS GLUCOSE MONITORS

With the progression of diabetes treatment tools and technology, we welcome continuous glucose monitoring (CGM) devices and technologies, including open-source automated insulin delivery (AID) system, commonly known as DIY or looping technology. As Diabetes Canada has long advocated for the importance of autonomy for people with diabetes, our healthcare teams are keen to support the continuation of care in a camp setting. For any participants using “looping” technology at camp there is the expectation that parents/guardians/participants will take time to review their settings with their medical team at intake. As there are a variety of apps/interfaces, it is important to not only understand where and how the settings currently live, but also the understanding the participants have with the interface. It is the expectation and requisite that participants looking to use looping at camp have a strong comprehension of their interface.

D-Camps medical staff and volunteers will continue to operate in compliance with Diabetes Canada Clinical Practice Guidelines (CPGs).

Regardless of system, transmitting functions will be turned off while at camp, and if a cellular device is used as a transponder, the SIM card will be removed for the duration of camp and kept in a secure location that will be returned come the end of the camp session. Families may also remove the SIM card prior to arriving at camp.

Campers will be sent home with a summary note of their time and diabetes management while at camp. We recognize that as diabetes management has become more digital for some, families and caregivers are used to having more frequent access and monitoring to information. Should you have any specific questions about your child's diabetes management while at camp, please reach out to our team and we would be happy to help you.

Medical use for monitoring and treatment of CGMs is up to the discretion of the camps medical team.

## CANCELLATION/REFUND POLICY

**BEFORE/ON FEBRUARY 28, 2026** – Full refund of all fees less a **\$25 cancellation fee** (per program).

**MARCH 1 - MAY 31, 2026** -Full refund of all fees less a **\$100 cancellation fee** (per camper).

**AFTER JUNE 1, 2026** – All fees are non-refundable.

Notification of cancellation is required in writing or via email and must be received by the Camp Administrative Coordinator.

There will be no refund made for any participant leaving D-Camps during any program/session, including in an instance where the participant is removed from the camp program at the choice or request of the participant or the participant's parent/guardian or for reasons of homesickness or behaviour that violates our code of conduct or compromises safety. In the case of illness or injury incurred at Camp, a prorated refund will be reviewed and applied by the camps team. There will be no refund or reduction of fees for campers arriving late or leaving early.

**If you decide to cancel your camp registration or have questions about registering, please contact us at: [camps@diabetes.ca](mailto:camps@diabetes.ca)**

## CONTACT INFORMATION

If you have questions about the Camp Briardale program or will be arriving late to Camp, please contact Cale Allen Camp Director, Western Canada at [Cale.allen@diabetes.ca](mailto:Cale.allen@diabetes.ca)

Our Administrative Coordinator can be reached at [camps@diabetes.ca](mailto:camps@diabetes.ca) to support with any questions related to registration, financial assistance or changes to completed forms.

Any other questions can be directed to our Information and Support Team at 1-800-226-8464 or [info@diabetes.ca](mailto:info@diabetes.ca)
