A LETTER TO NEW AND RETURNING CAMPERS AND FAMILIES

Dear Leadership Development Participants,

We are so excited that you will be joining us at Camp Kornder this summer. Camp Kornder is proud to be hosted by The Quest at Christopher Lake, north of Prince Albert, in the heart of the prairies. Quest is located on the beautiful shores of Christopher Lake.

We have an awesome program planned this summer and we can't wait to share it with you. You'll get to try some amazing activities, meet new friends, and learn more about type 1 diabetes. We hope that by the end of your time at camp, you will have gained confidence, new skills, have a greater appreciation for the outdoors, and have a better understanding of how to manage your own type 1 diabetes.

Before you start packing your suitcase, please read our D-Camps Guide and this Information Package. It is full of information that will prepare you to have the best camp experience possible. Some of the important information included in this package is:

- Purpose of the LDP Program
- Directions, Transportation and Dates
- Packing List
- Serving Diverse Campers
- Mail and Care Packages
- Continuous Glucose Monitors
- Cancellation and Refund Policy
- Contact Information

From all of us at Diabetes Canada and Camp Kornder, we are very excited that you are joining the Camp Kornder family!

Sincerely,

Cale Allen

Camp Director, West D-Camps
Cale.Allen@diabetes.ca

Lauren Linklater

Senior Manager, National D-Camps
Lauren.Linklater@diabetes.ca

PURPOSE OF THE LEADERSHIP DEVELOPMENT PROGRAM

Provides participants with the skills necessary to become a community leader and potential camp staff member in a supportive environment.

The Goals of the Leadership Development 1 Program:

- To understand fundamental leadership skills integrated into typical camp life
- Concentrated hard skill development in the core elements of camp programming
- To gain confidence in self-advocacy for living with diabetes
- To have a fun, safe, and educational camp experience with a heightened accountability for respecting others

The Goals of the Leadership Development 2 Program:

- To gain confidence in leadership abilities, such as problem solving, facilitating activities, collaborating with diverse learning styles and more
- To recognize and engage in learning opportunities present in many aspects of camp life
- To develop healthy, positive diabetes self-management techniques
- To develop essential skills & abilities for future employment & volunteer opportunities

WHAT TO EXPECT AS A LEADERSHIP DEVELOPMENT PARTICIPANT

Leadership Development Program 1

LDP 1 is for youth who have turned 16 prior to June 30, 2026. In this program, participants will be led by our LDP team. The team will work with the participants (LDP 1s) to develop basic leadership skills such as conflict resolution, communicating clearly, setting goals for yourself and others, leading by example among other important attributes of a leader.

Skill development

- Developing and delivering programs in camp-wide programs
- Conflict resolution
- Problem solving
- Teamwork
- Communication
- Goal setting
- Leadership in a community setting
- Short term hands-on experience managing groups in a summer camp setting

Leadership Development Program 2

LDP 2 is for youth who have turned 17 prior to June 30, 2026. In this program, participants (LDP 2s) will be led by our LDP team. The team will work with the LDP 2s to further develop leadership skills with a focus on being a leader in the camp community. Skills like camper care, dealing with homesickness, planning, and leading programs and games and being a positive type 1 diabetes role model. LDP 2s will be spending a substantial portion of their time at camp shadowing counselors in a cabin group. They will have the opportunity to use the skills they are developing and receive feedback from the D-Camps staff team.

Skill development

- Developing and delivering programs in camp-wide programs
- Long term hands-on experience managing groups in a summer camp setting under supervision of staff
- Ongoing mentorship to campers
- Planning and leading activities with guidance from staff
- Mindfulness, and self-management
- Goal setting at camp and throughout the year
- Leadership in a community setting

DIRECTIONS, TRANSPORTATION, AND DATES

Our campers are dropped off and signed into camp at The Quest at Christopher Lake. Parents will have the opportunity to meet with the medical staff to discuss their children's stay at camp during this time.

Parents drop off participants either at 1:00pm or 2:00pm; please check the times below as there is only a limited amount of parking at the camp facility. On the last day of camp, parents should arrive at 10am to pick up their children.

Directions to camp can be found here:

Address: [The Quest at Christopher Lake SK-953, Christopher Lake, SK S0J 0N0](#)

Sign-in: Opening Day	Sign-out: Closing Day
Sunday, August 16, 2026	Friday, August 21, 2026,
2:00pm: LDPs	10:00am: All campers

SUGGESTED PACKING LIST

Please label everything your camper brings to camp. Lost items that are labeled can easily be returned if they are found. Please include a packing list with the corresponding quantities if you would like your camper to use when packing at the end of camp. Please note this list is simply a guideline or suggestion. Please pack clothing and items that make sense for your camper's time at camp. Additionally, this list is recommended for a 1 week stay at camp. We recommend packing belongings in suitcases, luggage or storage containers that are labelled and can be identified by your camper. Please **do not** use garbage bags as they can rip or easily be mixed up during transport!

MEDICAL		
☐ Insulin (enough for the entire session) ☐ Insulin Pens ☐ Pump Supplies (labelled) – sites, reservoirs, etc ☐ Other medications (must be in original containers)	☐ Pump batteries (AA/AAA) or, charging cord ☐ CGM (sensors, transmitter, receiver) – please connect with the Camp team to learn how these tools work at camp	
You know your camper best. Please pack enough medical/diabetes management supplies for the duration of the session. Camp Kornder will supply syringes, pen needle tips, lancets, blood glucose meters, testing strips, and ketone testing supplies. Please remember to pack supplies for traveling to and from camp. Camp Kornder will also supply emergency medical supplies, like glucagon.		
CLOTHING		
☐ 7 pairs of socks ☐ Supply of underwear for the session ☐ 3 pairs of shorts ☐ 2 pairs of pants/sweatpants ☐ 6 t-shirts	☐ 3 sweatshirts ☐ 2-3 long-sleeve shirts ☐ Flip flops or sandals ☐ 2 pairs of closed-toe shoes (one pair should be running shoes)	☐ 1 pair athletic sandals ☐ 1 waterproof rain suit ☐ 1 pair rubber boots ☐ 2 swimsuits (no tie up bikinis please) ☐ 2 sets pajamas
SUN SAFETY		
☐ 1 hat with brim ☐ Water bottle	☐ Sunscreen	☐ Sunglasses
CAMP STUFF		
☐ Sleeping Bag ☐ Additional sheets/blankets – single size (optional) ☐ Pillow ☐ Insect repellent ☐ Toiletry Kit (soap, shampoo, facecloth, toothbrush, toothpaste, comb, deodorant, etc) ☐ Flashlight/headlamp	☐ 2 lightweight towels (easy drying for swimming and showers) ☐ Daypack (for camera, rain gear, water bottle, etc) ☐ Camera (cell phones with camera are NOT acceptable) ☐ Empty large plastic bags for wet & dirty clothes to come home in	OPTIONAL ☐ Pen, paper, stamps (addressed & stamped envelopes/postcards) ☐ Red and blue t-shirts for Capture the Pump! ☐ Acoustic musical instruments
WHAT NOT TO BRING		
× Alcohol, non-prescription drugs, drugs not prescribed to the camper, tobacco products, electronic smoking devices × Knives, including camping or Swiss army knives × Valuable or precious items (i.e. jewelry) × Matches or lighters × Food or snacks	× <u>ANY</u> non-medical electronics except for digital camera × Headphones × Smartphones (unless being used as a Dexcom receiver – follow up required) × Nightscout or similar devices	

Diabetes Canada is not responsible for lost or stolen items.

LOST AND FOUND

It is easy to forget or misplace things at camp. To help navigate this, we have a designated lost and found area that will be populated with any found items. Campers are encouraged to check the lost and found regularly, however families are encouraged to check this area during pick-up as well. To be proactive, we suggest that families consider labelling all of their camper's items ahead of their session. Should a labelled item be left at camp, we will do our best to send it back to the person it belongs to!

CAMP ACTIVITIES

Participants will be exposed to a wide variety of activities and experiences. They will receive individual instruction to develop new skills, take part in group activities, shadow program and cabin time, and participate in games and theme events involving the entire camp. In everything we do at Camp Kornder, we emphasize creativity, imagination, and adventure, in a safe, fun-filled atmosphere designed to encourage growth and the development of self-confidence.

Your camper will be able to participate in the following:

Land Based Challenges

There is always something happening on land at Camp Kornder! At any time, you might find campers enjoying the climbing wall, beach volleyball, the playground, or other various sports!

Swimming and Waterfront

Campers will have the opportunity to experience many activities on Christopher Lake at Camp Kornder! Activities include tubing, canoeing, swimming, water trampoline and beach exploring! All activities that take place in the water are led by trained staff and supervised by lifeguards.

Creative Arts

Campers can spend time focusing on arts-based programs like drama games, arts and crafts, and talent shows.

Outdoor Living Skills

While at camp, your camper will have the opportunity to immerse themselves in nature through hiking, fire building, shelter building, orienteering and taking part in campfires.

Evening Programs

Each night, the whole camp community comes together to take part in activities such as capture the flag. Twice a week everyone at camp comes to campfire where we sing songs, see skits and reflect on our time at camp. These campfires are a highlight of camp. Make sure to ask your camper about their favourite song. You might even get to hear it on the trip home!

SERVING DIVERSE CAMPERS

At Diabetes Canada and D-Camps we believe that our camp and youth programs are for all children and youth living with type 1 diabetes regardless of ancestry, colour, race, ethnicity, religion, creed, sex/gender, sexual orientation, gender identity or expression, ability or exceptionality.

To ensure that we can provide the best experience for all of our participants we ask that families complete all registration forms as fully and truthfully as possible. The more we know about our participants the better we can support their needs.

At D-Camps, we strive to create equal opportunities for individuals that may identify or be affiliated with any number of biological, social, and cultural categories. Additionally, D-Camps aims to be open and accessible to all participants, ensuring that identification and/or affiliation with the above categories does not act as a barrier, obstacle, or deterrent that prevents a child from experiencing a traditional overnight summer camp experience. D-Camps aim to create and foster a more comfortable and fun environment, free of harassment, discrimination, hostility, isolation, and any other afflictions of systematic oppression. Participants and families are welcome to speak to the Camp Director if any accommodation is needed, which will remain confidential. In addition to this, many general inclusive policies are in place to ensure the camp environment and culture are inclusive and supportive for any participants, staff, and volunteers, who have not readily indicated any specific identity or affiliation prior to the start of their involvement in our programs.

If you have any questions about the fit of your child at our programs, please contact our Camp Manager or Camp Director to discuss the support we can provide.

MAILING AND CARE PACKAGES

Please drop off all mail or care packages at drop-off during the sign-in process so that the counsellors can ensure that the mail is delivered directly in a timely manner for your camper. Given we use a host site, this will avoid mailing delays and packages getting lost or misplaced. Any food, beverages, electronic devices, etc. received in care packages will be confiscated for the duration of camp and returned for pick up.

CONTINUOUS GLUCOSE MONITORS

With the progression of diabetes treatment tools and technology, we welcome continuous glucose monitoring (CGM) devices and technologies, including open-source automated insulin delivery (AID) system, commonly known as DIY or looping technology.

As Diabetes Canada has long advocated for the importance of autonomy for people with diabetes, our healthcare teams are keen to support the continuation of care in a camp setting.

For any participants using “looping” technology at camp there is the expectation

that parents/guardians/participants will take time to review their settings with their medical team at intake. As there are a variety of apps/interfaces, it is important to not only understand where and how the settings currently live, but also the understanding the participants have with the interface. It is the expectation and requisite that participants looking to use looping at camp have a strong comprehension of their interface.

D-Camps medical staff and volunteers will continue to operate in compliance with Diabetes Canada Clinical Practice Guidelines (CPGs).

Regardless of system, transmitting functions will be turned off while at camp, and if a cellular device is used as a transponder, the SIM card will be removed for the duration of camp and kept in a secure location that will be returned come the end of the camp session. Families may also remove the SIM card prior to arriving at camp.

Campers will be sent home with a summary note of their time and diabetes management while at camp. We recognize that as diabetes management has become more digital for some, families and caregivers are used to having more frequent access and monitoring to information. Should you have any specific questions about your child's diabetes management while at camp, please reach out to our team and we would be happy to help you.

Medical use for monitoring and treatment of CGMs is up to the discretion of the camps medical team.

CANCELLATION/REFUND POLICY

BEFORE/ON FEBRUARY 28, 2026 – Full refund of all fees less a **\$25 cancellation fee** (per program).

MARCH 1 - MAY 31, 2026 -Full refund of all fees less a **\$100 cancellation fee** (per camper).

AFTER JUNE 1, 2026 – All fees are non-refundable.

Notification of cancellation is required in writing or via email and must be received by the Camp Administrative Coordinator.

There will be no refund made for any participant leaving D-Camps during any program/session, including in an instance where the participant is removed from the camp program at the choice or request of the participant or the participant's parent/guardian or for reasons of homesickness or behaviour that violates our code of conduct or compromises safety. In the case of illness or injury incurred at Camp, a prorated refund will be reviewed and applied by the camps team. There will be no refund or reduction of fees for campers arriving late or leaving early.

If you decide to cancel your camp registration or have questions about registering, please contact us at: camps@diabetes.ca

CONTACT INFORMATION

If you have questions about the Camp Kornder program or will be arriving late to Camp, please contact Cale Allen Camp Director, Western Canada at Cale.allen@diabetes.ca

Our Administrative Coordinator can be reached at camps@diabetes.ca to support with any questions related to registration, financial assistance or changes to completed forms.

Any other questions can be directed to our Information and Support Team at 1-800-226-8464 or info@diabetes.ca
