# A LETTER TO NEW AND RETURNING CAMPERS AND FAMILIES

Dear Camper and Family,

We are so excited that you will be joining us at Camp Jean Nelson this summer. Camp Jean Nelson is proud to be hosted by KCC Camp Kindle in the picturesque foothills of the Rockies, near Water Valley.

We have an awesome program planned this summer and we can't wait to share it with you. You'll get to try some amazing activities, meet new friends, and learn more about diabetes. We hope that by the end of your time at camp, you will have gained confidence, new skills, have a greater appreciation for the outdoors, and have a better understanding of how to manage your own diabetes.

Before you start packing your suitcase, please read our D-Camps Guide and this Information Package. It is full of information that will prepare you to have the best camp experience possible. Some of the important information included in this package is:

- Directions, Transportation and Dates
- Packing List
- Camp Activities
- Serving Diverse Campers
- Mail and Care Packages
- Continuous Glucose Monitors
- Cancellation and Refund Policy
- Contact Information

From all of us at Diabetes Canada and Camp Jean Nelson, we are very excited that you are joining the Camp Jean Nelson family!

Sincerely,

David Dellio

Camp Director, Western

Diabetes Canada is not responsible for lost or stolen items.

We recommend packing belongings in suitcases/luggage or storage containers that can be identified by your camper. We suggest avoiding large garbage bags as they can rip or easily be mixed up during transport!

## Camp activities

Campers will be exposed to a wide variety of activities and experiences. They will receive individual instruction to develop new skills, take part in cabin group activities, and participate in games and theme events involving the entire camp. In everything we do at Camp Jean Nelson, we emphasize creativity, imagination, and adventure, in a safe, fun-filled atmosphere designed to encourage growth and the development of self-confidence. Your camper will be able to participate in the following:

### Land based challenges

There is always something happening on land at Camp Jean Nelson! At any time you might find campers enjoying the initiatives course, climbing wall, various sports, archery and the state-of-the-art high ropes course (make sure to ask your camper about it when they get home!)

### Swimming and waterfront

Campers will have the opportunity to experience Camp Kindle's new outdoor pool facility. Lifeguards will conduct a swim test at the beginning of each session to assess each campers swim level. All activities that take place in the water are led by trained staff and supervised by lifeguards.

### Creative arts

Campers can spend time focusing on arts-based programs like drama games, arts and crafts, and talent shows.

### Outdoor living skills

Your camper will have the opportunity to immerse themselves in nature while hiking, doing wetland studies, orienteering and taking part in campfires. Some of our older cabin groups will go on an overnight experience, which will involve hiking a short distance to an onsite tipi.

### Evening programs

Every night at Camp Jean Nelson the whole camp community comes together to take part in activities like capture the flag, skit nights and talent shows. After these high energy activities everyone at camp comes to campfire where we sing songs, see skits and reflect on our time at camp. These campfires are a highlight of the camp experience. Make sure to ask your camper about their favourite song. You might even get to hear it on the trip home!

## Serving Diverse Campers

At Diabetes Canada and D-Camps we believe that our camp and youth programs are for all children and youth living with type 1 diabetes regardless of ancestry, colour, race, ethnicity, religion, creed, sex/gender, sexual orientation, gender identity or expression, ability or exceptionality.

To ensure that we can provide the best experience to all of our participants we ask that families complete all registration forms as fully and truthfully as possible. The more we know about our participants the better we are able to support their needs.

At D-Camps, we strive to create equal opportunities for individuals that may identify or be affiliated with any number of biological, social, and cultural categories. Additionally, D-Camps aims to be open and accessible to all participants, ensuring that identification and/or affiliation with the above categories does not act as a barrier, obstacle, or deterrent that presents a child from experiencing a traditional overnight summer camp experience. D-Camps follows Pride Camping Association's best practices that are directed toward any LGBTQ+-identified youth and those from LGBTQ+ families and aim to create and foster a more comfortable and fun environment, free of harassment, discrimination, hostility, isolation, and any other afflictions of systematic oppression. LGBTQ+ participants and families are welcome to speak to the Camp Director if any accommodations are needed, which will remain confidential. In addition to this, many general inclusive policies are in place to ensure the camp environment and culture is inclusive and supportive for any participants, staff, and volunteers, who have not readily indicated any specific identity or affiliation prior to the start of their involvement in our programs.

If you have any questions about the fit of your child at our programs please contact our Camp Manager or Camp Director to discuss the support we can provide.

## Mailing and care packages

Everyone enjoys receiving mail, so please write! Mail will be picked up a few times a week and delivered to your camper. Send letters prior to or during the first few days of camp to ensure delivery. Letters that do not arrive until after the session has ended will be returned to sender. Any food, beverage, electronic devices, etc. received in care packages will be confiscated for the duration of camp.

The camp address is:

Camper's Name and Session

Camp Jean Nelson c/o Camp Kindle Box 280 Water Valley, AB

TOM 2E0

## CONTINUOUS GLUCOSE MONITORS

With the progression of diabetes treatment tools and technology, we welcome continuous glucose monitoring (CGM) devices and technologies which are approved by Health Canada at D-Camps. ***Devices and systems that are yet to be approved by Health Canada cannot be used at D-Camps.*** We recognize that some of our participants are use to using CGM technology in their diabetes management and that this provides them with comfort and routine.

Transmitting functions will be turned off while at camp, and if a cellular device is used as a transponder, the SIM card will be removed for the duration of camp and kept in a secure location that will be returned come the end of the camp session.

Medical use for monitoring and treatment of CGMs is up to the discretion of the camp's medical team, and we will provide you with an update of what this will look like closer to the camp season!

## Cancellation/Refund Policy

Camp fees (less deposit) are fully refundable. Notification of cancellation is required in writing or via email and must be received by the Camp Registrar no later than four weeks prior to the camp start date to qualify for a refund. Cancellation requests made later will be considered on a case-by-case basis. Please note that cancellations must be made directly through the Camp Registrar and cannot be made through area branch offices or other Diabetes Canada staff. Families who do not cancel will still be required to pay the balance of their camp fees.

If you decide to cancel your camp registration or send in paper version of forms, please contact: Diabetes Canada [camps@diabetes.ca](mailto:camps@diabetes.ca) or 1.800.226.8464
