Our mission

TO LEAD THE FIGHT AGAINST DIABETES BY:

- Helping those affected by diabetes to live healthy lives
- Preventing the onset and consequences of diabetes
- Discovering a cure

We improve lives

BUBBA VERMETTE, living with type 2 diabetes:
“Everyone knows about diabetes, but a lot of people don’t fully understand how serious it can be. Three years ago, on one of my daily walks, I thought to myself: ‘Why not walk for diabetes?’ That was the start of Bubba’s Journey, my CDA fundraiser.”

JESSICA SCHMIDT, living with type 1 diabetes:
“I want everyone to see diabetes through my eyes and know that it isn’t something to be afraid or ashamed of. With the Diabetes Charter for Canada in place, perhaps more effort will be made within the education system to teach others about diabetes.”

On the cover: Other members of our CDA community include Robert Screaton, Farah Ahmad, Kathleen Nelson and Philip Bobawsky.
Transforming the diabetes landscape

JOINT MESSAGE FROM OUR PRESIDENT AND CEO, AND CHAIR OF THE BOARD

The past year has been an exciting one at the Canadian Diabetes Association (CDA). We accomplished so much together in a year marked by common purpose, passion and dedication toward a healthy future for people living with diabetes. Against the backdrop of an evolving landscape for health charities in Canada, we designed, built and are implementing our bold strategic plan for 2015 to 2019. It will help us better serve the 3.3 million people with diabetes, the one million living with undiagnosed type 2 diabetes, and the 5.7 million people living with pre-diabetes. Our vision of a world free of the effects of diabetes has shaped our new mission statement, which reflects the needs of those we serve.

Our 2014 journey involved our CDA family, from those we serve, to our staff, board of directors, members, researchers, health-care professionals, advocates, donors, fundraisers, community leaders and corporate supporters. Many are part of our more than 30,000-strong volunteer base whose support is essential for the CDA to reach every corner of our country.

Read more about our successes here and on the following pages of this report.

Delivering on our promise to those we serve through:

- Consistent programs and services to better serve people living with diabetes, particularly with self-management
- The Diabetes Charter for Canada, which champions more equitable access and support, dignity and respect, and enhanced health and quality of life for people with diabetes, and their caregivers
- Partnership with the International Diabetes Federation to provide support for children with diabetes in school through tools such as our position statement and guidelines, which provide leadership and guidance on the roles of students, parents/guardians, school personnel and health-care providers

Expanding our research and support for health-care professionals with:

- Continued investment in basic and clinical science research, and new population health research initiatives
- Improved dissemination and information programs to ensure our world-leading Clinical Practice Guidelines for the Prevention and Management of Diabetes in Canada (CPG) are used by health-care professionals to help those living with and at risk for diabetes
- Closer and better integrated working relationships with our Diabetes Educator Section, Clinical and Scientific Section, and National Advocacy Council, as well as with the National Research Council Canada, for a seamless and integrated approach to research and best practices dissemination

Investing in our people and increasing organizational efficiency through:

- Our expanded People First strategy, including an engagement survey and a rollout of initiatives based on employee feedback
- New technologies to significantly improve efficiency and effectiveness, such as customer relationship management and human resources systems
- Collaboration pods that bring together staff across the CDA to debate issues, explore options and develop solutions

Developing new revenue streams and expanding partnerships with:

- A national and regional account management system
- New sales and clothing collections programs under the National Diabetes Trust (NDT) Clothesline banner
- A renewed and innovative partnership between NDT and Value Village to fund more diabetes research and send more children and youth with type 1 diabetes to the CDA’s 12 D-Camps
- New product development programs to help donors and partners connect with us and better serve our community

Our commitment to transforming the diabetes landscape has inspired our efforts in the past year. We will continue to work toward becoming a better organization for those we serve. There is no doubt we are stronger together.

Suzanne Deuel
Chair, Board of Directors

Rick Blickstead
President and Chief Executive Officer
Help us continue the work we’ve done this year. This is how the CDA has made a difference in the lives of people living with diabetes and those who are at risk:

**Improving Lives**

**support**

- 19,230 people learned to better manage their diabetes at 349 CDA expos, workshops and webinars.
- 2,400 children, youth and families attended 51 D-Camps programs for children and youth living with type 1 diabetes.
- 20,432 people got answers to their diabetes-related calls and emails.

**investigate**

- $6.7 million from the CDA funded leading research in genetics, obesity, complications, pathophysiology, prevention and management, and new treatments.
- From 1975 to 2014, the CDA funded more than $125 million in diabetes research.
- 104 research projects focused on improving life for people with diabetes.

**share**

- More than 77,000 new supporters were welcomed.
- More than 30,000 volunteers helped with fundraising, programs and more.
- $2.7 million was raised by more than 650 people who walked, ran, cycled and hiked with Team Diabetes in 22 events around the world and across Canada.

1.7 million homes donated used clothing and household items to Clothesline, helping to raise $13.5 million for research programs and advocacy.
**educate**

- More than 450 people living with diabetes learned about self-management in the first-ever public forum.
- More than 6,000 primary-care physicians learned how to use CPG information to help patients.
- 3.3 million Canadians with diabetes benefited from having the CPG inform their care.

More than 1,500 delegates attended the 17th Annual Professional Conference and Annual Meetings of the CDA and the Canadian Society of Endocrinology and Metabolism.

**influence**

- 5,000 people with type 1 diabetes received insulin pumps and supplies through new government-funded programs in Nova Scotia and Prince Edward Island, and extended eligibility in British Columbia.

More than 20,000 people signed the Diabetes Charter for Canada.

**inform**

- 2.3 million visited diabetes.ca.
- More than 22,500 joined our myCDA online community.
THANK YOU

Only with You, Do We Achieve!

We are extremely grateful for the commitment and dedication of all of our donors and partners—each and every person and group who supports our cause. You are all members of our Banting Circle in recognition of your leadership in the fight against diabetes.

OUR DONORS

These extraordinary individuals and organizations have given $1,000 or more up to Dec. 31, 2014*.

报告独立审计师关于总结财务报表

致会员

加拿大糖尿病协会

随附的总结财务报表，包括2014年12月31日的总结财务状况表，2014年12月31日的16个月期间的总结收入和支出表，以及相关附注，是根据加拿大糖尿病协会（以下简称“协会”）的审计财务报表准备的，2014年12月31日的16个月期间。我们于2015年3月26日就这些财务报表发表了保留意见。

总结财务报表不包含所有根据加拿大非营利组织会计标准（“CAS”）810“关于总结财务报表的报告”所需的披露。阅读总结财务报表，因此不是阅读协会的审计财务报表的替代。

管理责任

对于总结财务报表

管理对于基于注释1所述基础的总结审计财务报表的准备负责。

审计师的责任

我们的责任是根据CAS 810“关于总结财务报表的报告”所述程序对总结财务报表发表意见。

意见

在我们的意见中，2014年12月31日和2013年8月31日总结财务报表是经过调整的财务报表的可靠摘要，但受到对审计的财务报表的审计范围的限制的影响，与2014年12月31日的16个月期间的财务报表相同。

我们的保留意见对审计的财务报表进行了说明，表明，除了以上所述可能的影响外，这些财务报表在所有重要方面都能真实地反映了协会的财务状况，2014年12月31日16个月期间的经营成果和现金流量。该保留意见也说明了对个人捐款和直接营销、遗产和活动收入、收入超过费用盈余、运营现金流、2014年12月31日和2013年8月31日至2012年9月1日的流动资产和余额的确认。

The above information has been extracted and summarized from the complete 2014 audited financial statements.
NOTES TO THE SUMMARY FINANCIAL STATEMENTS
December 31, 2014

1. Basis of the summary financial statements
The Canadian Diabetes Association (the “Association”) has prepared these summary financial statements to be included as part of their annual report.

The criteria applied by management in the preparation of these summary financial statements are as follows:
(a) the information in the summary financial statements is in agreement with the related information in the audited financial statements;
(b) a summary statement of cash flows has not been presented, as the relevant information can be obtained from the audited financial statements; and
(c) the summary financial statements contain the information necessary to avoid distorting or obscuring matters disclosed in the related audited financial statements, including the notes thereto.

In April 2014, the Board of Directors approved a change in the year end of the Association from August 31 to December 31, effective for calendar year 2014. The 16 month period ended December 31, 2014 represents the financial reporting period required to transition from the August 31 year end date to December 31.

The audited financial statements can be obtained from the Association.

2. Change in accounting policy
In the current year 16 month period, the Association adopted the requirements of the CPA Canada Handbook (“Handbook”), Part III Accounting for Not-For-Profit organizations Section 3463 Reporting Employee Future Benefits by Not-For-Profit Organizations (“Section 3463”). In accordance with the transitional provisions of this section, the Association retrospectively applied the revised standard. The 2013 corresponding figures and notes have been restated.

3. Diabetes Association (Foothills) (“Foothills”)
Diabetes Association (Foothills) was incorporated on September 23, 1993 as a not-for-profit organization under the Alberta Charitable Fundraising Act, and was a charitable organization within the meaning of the Income Tax Act.

The Association became the sole member of Foothills on April 15, 2011 and controlled it, since the Association determined its projects and direction. Foothills’ operations were wound up by the Association during the 2012 fiscal year, and the net assets transferred to the Association.

Articles of dissolution were filed on December 6, 2012 voluntarily dissolving Foothills pursuant to Section 211 of the Business Corporations Act (Alberta), and registration as a charity under the income Tax Act (Canada) was voluntarily revoked on July 20, 2013.

Foothills was revived on March 4, 2014 as a not-for-profit organization under the Alberta Charitable Fundraising Act in order to continue to receive gifts left under Last Wills and Testaments. The objectives were amended on September 19, 2014 to support scientific research for a cure for diabetes. Foothills has applied for charitable registration status under the Income Tax Act (Canada) on September 8, 2014.

The financial statements of Foothills have been consolidated in these financial statements, as allowed by Canadian accounting standards for not-for-profit organizations.

4. National Diabetes Trust
On January 1, 2012, the Association transferred its Clothesline operations to the National Diabetes Trust, which was established to develop, invest and operate the Clothesline operations. The Trustee of the National Diabetes Trust is the National Diabetes Trustee Corp., a Canadian resident not-for-profit corporation without share capital established to carry out the fiduciary responsibilities of the National Diabetes Trust. The Trustee is controlled by the Association, since the Association determines its projects and direction.

The assets and liabilities of the Association’s Clothesline operations as at January 1, 2012 were transferred from the Association to the National Diabetes Trust at their carrying amounts as at that date.

The income and capital beneficiary of the National Diabetes Trust is the Association, and the Trustee is required to transfer the net income for tax purposes of the National Diabetes Trust to the benefit of the Association in each year.

The financial statements of the National Diabetes Trust have not been consolidated in these financial statements, as allowed by Canadian accounting standards for not-for-profit organizations.
