○ Yes  ○ No  ○ Unknown

Specify if the nominee has ever received an award at any level of the Association:

○ Yes  ○ No  ○ Unknown
Supporting Information: (Please attach answers to applicable questions below)

Frederick G. Banting
- Describe how the nominee has significantly contributed to both preventing diabetes and chronic disease in Canada or has improved the quality of life of individuals affected by diabetes.
- Outline how the nominee's initiative has impacted a great number of people

Charles H. Best
- Describe the specific contributions this health professional has made across Canada towards improving the quality of life of individuals living with diabetes.
- Outline the nominee's work that is supported or endorsed by the Diabetes Canada Professional Section.

Kurt Kroesen National Inspiration
- Describe the challenges the individual or family has overcome.
- Outline the success achieved by the individual or family.

National Advocacy Leadership
- Describe the nominee's dedication to advocating on behalf of people with diabetes, resulting in positive changes in public policy to help people with diabetes live healthy lives.
- Outline how the nominee's advocacy work applies to the advocacy strategy of Diabetes Canada.

National Volunteers of the Year
- Describe the individual or group's outstanding long-term dedication to Diabetes Canada (minimum of 10 years of service) OR outline their outstanding contribution towards the fulfillment of our mission.

National Young Volunteer
- Describe the volunteer's contribution to Diabetes Canada.
- Outline how the volunteer could be considered a role model to other young volunteers for Diabetes Canada and describe their personal interest in our mission.

Outstanding National Partnership
- Describe the institution's contribution to the Mission of Diabetes Canada.
- Outline how the institution has contributed to a program or initiative that is national in scope.

The Innovation Award
- Demonstrate innovation in an approach or strategy
- Be a volunteer of Diabetes Canada or engage with Diabetes Canada (such as by hosting third party events)
- Have contributed significantly to the mission of Diabetes Canada

The Collaboration Award
- The nominee should demonstrate outstanding collaboration in a project or work that relates to the strategic direction of the Organization.
- At least one collaborative partner must be from Diabetes Canada
